

March 17, 2020

Good Afternoon,

We at CenClear would like to inform you that we are making every effort to continue to support the treatment of our consumers while caring about the safety of each of them as well as our staff.

Effective 3/17/2020 all CenClear buildings will closed. All staff will be working remotely and the date of return is unknown at this time.

Our Mental Health and Drug & Alcohol Services will not be bringing consumers into the clinics or visiting in the home and community. Consumer contact and services will be provided through telehealth communication.

All staff will be available to continue to meet your needs. Please email us as usual. Should you need to reach any staff via phone, please utilize the cell phone number you have as your contact or call the office at 814-342-5845 and leave a message. We will return your call as we have identified staff to be checking messages on a regular basis throughout the work day. We hope that everyone stays well and safe as our communities are dealing with COVID 19.

Sincerely,

Pauline Raab
