“Mark Wendel announced as CEO of CenClear.”

BIGLER —The CenClear Board of Directors is pleased to announce Mark Wendel as the new Chief Executive Officer (CEO) at CenClear. Wendel has been serving as the Chief Operational Officer, while also preparing to transition into the CEO position. He has been with CenClear for over 23 years, beginning his CenClear journey in Family Based Mental Health Services. Over the years he has been instrumental in the growth of the agency. Wendel is committed to CenClear’s mission of strengthening families and communities.

CenClear continues to help individuals and families

CenClear will continue to provide top customer service to all consumers within the communities we serve under Wendel’s leadership.

During the past 40 years, CenClear services have increased and today it serves over 14,000 people in its Early Childhood, Mental Health and Substance Use Disorder Divisions.

About CenClear

Today, CenClear employs over 700 people and provides services to children and adults in 15 counties. The Early Childhood Division serves children through age five and their families. Mental Health and Substance Use Disorder services are available to all ages. CenClear is an organization dedicated to leading the community with superior quality and innovative services to all consumers by providing physical, social, emotional, educational

and leadership development.

Moving forward, CenClear will continue to focus on strengthening families through early education, mental health and Substance Use Disorder treatments.
