

Bigler

HS & HSSAP

Miss Amber, Miss Gabby, Miss Leann, and Mister Jacob

Lessons:

- We will be continuing our "Trees" unit that we started at the end of October. Some questions we will be asked and finding answers to include: What are the parts of trees?, How do trees change and grow?, What grows and lives in trees?, and What things are made from trees? We will then start our next unit- "Clothes". We will start with two very important questions: What do we know about clothes? and What do we want to find out?

Days Off:

- Wednesday, November 24th through Monday, November 29th (Thanksgiving Break)

PBIS:

- Children are still becoming accustomed to the classroom rules and are working on learning the center expectations- **be safe, be kind, be respectful**. We discuss how our rules help us to meet these expectations. If you hear your child using these words, encourage them to talk about it with you. If you are not hearing these words at home, ask them about what it means to be safe, kind and respectful

PBIS/Sanctuary Highlights

- Teachers have been working on creating individual child safety plans for in the classrooms. When a child is feeling upset/stressed/overwhelmed, he or she can choose an action to do on his or her individual safety plan (i.e. use a fidget, take a break, etc.).

Reminders to Parents

- Make sure your child has at least one extra set of clothes in their backpack and/or at school (for accidents, spills, and plain messy play).
- Make sure you are sending your folder back to school with your child daily; this folder is how we send important papers and artwork.
