Happy New Year!

This month we will be readjusting ourselves to the routine of school after the winter break.

- We will spend the first few weeks finishing our study on signs. After signs, we will begin an exciting new study on balls!
- Mrs. Hanson will be out and Mr. Arnold will be here this month. He is very familiar with our class and routine.

Dates to Remember

Rebersburg (Sarah Petrik)

Hello families! January marks the beginning of a new year! A new year is a time to think about what your goals are for yourself and your family.

My challenge to you this month is to make a goal that you personally want to accomplish this year with your family! January is also typically a very cold month.

Please have your child wear a warm winter coat, gloves, and a hat. If you need help with any of those items, please let Stephanie or me know!
