- Please dress your child for the weather. We go outside if weather permits. We are able to go outside as long as real feel temperature is above 25. On the days, we do not go outside- we can use the gym. Your child **must** have sneakers to be able to run on the gym floor. Please make sure if they were other types of shoes to school, they have sneakers in their book bag.
- Attention Parents: Help us recruit for our programs. We want to ensure we are reaching all families in our community about our great preschool programs we have to offer at no cost to families. Parents are our best resource. Parents can complete applications on line at www.cenclear.org.
