PBIS/Sanctuary Highlights

- Visual schedules can bring you and your child closer together, reduce power struggles and give your child confidence and a sense of control. Visual schedules greatly limit the amount of “no’s” and behavior corrections you need to give throughout the day, since your child can better predict what should happen next.

Reminders to Parents

- Visit us on the website: www.cenclear.org
- Policy Council Meeting is November 9, 2021
- Continue to log your volunteer hours and turn in your log by the end of the month
- Keep an extra set of clothes in your child’s backpack
- Ask your teacher to connect you to Ready Rosie!

This Month’s Highlights

- Ms. Melinda would like to remind you to dress your children for the weather. They go outside if weather permits-above 25 degrees. To utilize the gym in bad weather, your child must have sneakers.

Student Acts of Kindness!

- We are recognizing the following students for the good things that they do:
- Ms. Melinda’s entire class needs recognized. We had two new friends start class in October and everyone has been very kind and helpful to these new friends. They have helped them learn our class rules and routines.
- Ms. Lisai would like to recognize Kasey, Connie and Rachel as they do what is best for the children and step in when others need them. She wants to thank them for their hard work.
