## Pre-K

### Ms. Kylie

- Our next study will be music. If you know anyone that plays an instrument, please let Miss Kylie know. We will also be talking about Kwanza, Christmas and Hanukkah during the holiday season.
- If your child has shorts in their extra bin, you may want to send in a pair of pants, and socks. As the weather gets cold and wet, their box may need a change of items.

### Ms. Lisa

- **There will be no class Dec 24 - 31.**
- We are in the process of planning our Dec. PCC, please be on the lookout for details on our class Dojo page, as well as, in your child's Communication Folder.
- Congratulations to Jorge/Amber Salvador who were the highest sellers in our class.
- Please keep up the good work of following our Covid protocol.
- Be sure to check our class DoJo page regularly for class happenings and special notices!

## HEAD START

### Ms. Kathi

- We finished the One Path research pilot and the children really enjoyed the lessons that Parker, the puppet, taught about paying attention to the clues our bodies give us. He taught us how to stop, think, and make good choices about our feelings and about eating.
- We also recently finished our safety lessons. Please continue to remind the children and practice these lessons at home.
- After ending the Trees Study, we will be spending time on the Light Study.
- We will continue to go outside as long as the feels like temperature is above 25, so be sure to dress your child for the weather.
- We will share more information soon about our December PCC - an event with Santa.

### **Ms. Stephanie**

- We will be working on our clothes study.
- December PCC will be happening. We would love to see all our families attend.
- Please remember to check and clean out your child's folder.
- Please continue to complete your Reading challenge as well as your volunteer hours.

### **Ms. Brandi**

- We will finish up our Tree Study and move to the Building Study.

### **Ms. Tatiana**

Welcome to December!

- As the months begin to get chillier, we will begin our clothing study. The weather in Pennsylvania is continuously unpredictable. Please be sure to dress your child for any variation of weather. We still try to get outside as much as possible as long as the weather is warm enough. We want to be sure your child stays as healthy as possible during these months.
- A reminder that our holiday break will begin after class on December 17 and will end on January 3. Class will resume on January 4.
- If you have any questions, concerns, or requests to help you and your family get through this holiday season, please feel free to reach out!

### **Ms. Maryann**

- We will be finishing our Bread Study and begin the Clothing Study.

### **Ms. Emily**

- We are finishing our Tree Study. We learned all about the features of a tree, the animals that live in trees and how trees help us!
- Next, we will begin our Clothing Study.
- Please remember to send me a picture to hang on our family tree!
- Keep an eye out for more information about our Winter PCC event.

## Upcoming Events

Recruitment is in full swing. If you refer a family to one of our programs, you will receive a \$10.00 incentive for eligible families.

Parents can fill out an application at [www.cenclear.org](http://www.cenclear.org) or you can direct them to your child's teacher or home visitor.

## Reminders to Parents

- **No Policy Council Meeting in December.**
- We will continue to go outside if it is 25 degrees or above. It can get cold, so please make sure that your child has a winter coat, hat, and gloves. These items are often lost or misplaced, so please send in old, mismatched, or even Dollar Store items. You are welcome to send in boots- this way your child will not get wet feet. There are many health benefits to going outside even when it is cold.
- Please remember to check your child's folder / backpack after class each day.
