- It is the time of year for colds and flu. However, regular attendance is very important! Please make every effort to see that your child attends class. Always remember to send in a written “excuse” when your child returns. In addition, if they are out for more than a couple of days a doctor note will be required. If there are concerns or you have questions, please contact me.
- Continue to send in “Box Tops”. Thank you!
- With the start of a new calendar year, we are also thinking about a new school year. Information for kindergarten registration will be coming soon. In addition, we will be taking applications for next year’s Pre-K Counts class. If your child is enrolled, you do not need to submit a new application. If you, your family or friends have children that are interested in enrolling for next fall, be sure to let us know so that we can get them the information!
