

Wingate January Newsletter

Pre-K

Ms. Mariah (Howard)

- This month we will continue the clothing study. We will then start our pet study. Please remember to check your child's temperature daily and keep them home if they are not feeling well.
- Dress your child appropriately for outside weather (gloves, hat, coat, appropriate shoes).
- We follow the Bald Eagle District for delays and cancellations. I will post on Class dojo as soon as I hear anything.
- During virtual days, please remember to message me the activity you did to be considered present for the day.

Ms. Parks

Port Matilda HSSAP

- We started the Simple Machines Study and will start the Sand Study after the Holiday Break.
- Since we are virtual, please remember to let me know when your kiddo finishes their activity so they can get credit for class that day.
- Remember to keep working on your monthly goals at home as well.
- Also, with it getting colder out please remember to send your kiddo in the appropriate clothing and jacket/coat since we do go outside all year round.
- Keep in mind that winter weather is coming and that it can cause cancellations and delays for school. I will post them on class DoJo, as I become aware of it. If you want to watch on your TV for delays or cancellations, we follow Bald Eagle School District.
- Just a reminder, that we do not have class on December 21, December 23-January 1. We have class in person on January 4.

Head Start

Ms. Sue Wingate Head Start Center

- First, thank you to everyone with being so flexible with staying home in Dec. I appreciate everyone checking Facebook for the Stay at Home plan. The most important thing is that you are doing something with your children during the day.
- We will try to catch up on some of our special crafts we had planned even though it is now Jan. We will also be continuing our clothing study.
- If the weather permits, we will go outside for some outside time in January.
- No class, Monday, Jan. 25. It is a teacher workday.
